

International Society for Soil Mechanics and Geotechnical Engineering  
Société Internationale de Mécanique des Sols et de la Géotechnique

António Topa Gomes

Assistant Professor  
Civil Engineering Department  
University of Porto, Porto, Portugal  
Tel: +351 225081729  
Cell: +351 917803436  
Email: [atgomes@fe.up.pt](mailto:atgomes@fe.up.pt)

Interests related to TC304:

- Reliability analysis in geotechnical engineering
- Georisk assessment and management
- Numerical Modeling
