

International Society for Soil Mechanics and Geotechnical Engineering  
Société Internationale de Mécanique des Sols et de la Géotechnique

Celeste Jorge

Researcher  
Advisory Group of Board of Directors  
Laboratório Nacional de Engenharia Civil  
Av. Brasil, 101  
1700-066 Lisboa Portugal  
Tel: +351 218443348  
Fax: +351 218443011  
Cell: +351 966193660  
Email: [cjorge@lnec.pt](mailto:cjorge@lnec.pt)

Interests related to TC304:

- Georisk assessment and management
- Reliability analysis in geotechnical engineering
- Perception, management and risk analysis in urban areas with stability problems (aptitude for construction) in climate change conditions.
