

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Giuseppe Modoni

Associate Professor
Department of Civil and Mechanical Engineering
University of Cassino and Southern Lazio,
Cassino 03043, Italy
Tel: +39 776-2993939
Cell: +39 3298325704
Email: modoni@unicas.it

Interests related to TC304:

- Reliability analysis in geotechnical engineering
- Seismic risk assessment
- Subsidence
- Vulnerability models
- Performance-based geotechnical design
- Georisk assessment and management
