

International Society for Soil Mechanics and Geotechnical Engineering  
Société Internationale de Mécanique des Sols et de la Géotechnique

Han-Saem Kim

Senior Researcher  
Earthquake Research Center  
Korea Institute of Geoscience and Mineral Resources,  
Daejeon 34132, South Korea  
Tel: +82 42-868-3265  
Fax: +82 42-861-1872  
Cell: +82 10-6651-4200  
Email: adoogen@kigam.re.kr

Interests related to TC304:

- Geostatistics and probabilistic site characterization
- Reliability analysis in geotechnical engineering
- Georisk assessment and management
- Machine learning algorithms in geotechnical engineering
