

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

He-Qing **MU**

Associate Professor, PhD
Department of Civil Engineering
School of Civil Engineering and Transportation
South China University of Technology
Tianhe District, Guangzhou 510640, China
Tel: +86 20-87111030
Cell: +86 18588591545
Email: cthqmu@scut.edu.cn

Interests related to TC304:

- Bayesian method
- Outlier and abnormal data analysis
- Pattern recognition and machine learning
- Uncertainty quantification
