

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Hongwei Huang

Professor
Department of Geotechnical Engineering
Tongji University, Shanghai 200092, China
Email: huanghw@tongji.edu.cn

Interests related to TC304:

- Reliability and robust based design
- Smart sensing of geotechnical structures
- Deep learning for georisk identification, assessment, and management
