

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Jian Ji

Professor
Geotechnical Research Institute
Hohai University, Nanjing 210043, China
Tel: +86 25-8378 6633
Fax: +86 25-8378 6633
Cell: +86 187 95463502
Email: ji0003an@e.ntu.edu.sg

Interests related to TC304:

- Geotechnical reliability analysis
- Performance-based geotechnical design
- Slope stability and earth retaining
- Underground pipeline failure and risk management
