Société Internationale de Mécanique des Sols et de la Géotechnique

Jie Zhang

Professor
Department of Geotechnical Engineering
Tongji University, Shanghai 200092, China
Email: cezhangjie@tongji.edu.cn

Interests related to TC304:

- Reliability analysis in geotechnical engineering
- Bayesian updating of geotechnical systems
- Data analytics for geotechnical applications
- Performance-based geotechnical design
- Georisk assessment and management
