

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Leena Korkiala-Tanttu

Professor of Practice in Geotechnical Engineering
Department of Civil Engineering
Aalto University, Espoo, Finland
Cell: +358 50 312 4775
Email: leena.korkiala-tanttu@aalto.fi

Interests related to TC304:

- Reliability analysis in geotechnical engineering
- Definition of soil parameters with statistical methods
- Georisk assessment and management
