

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Lei Wang, Ph.D., P.E.

Assistant Professor
Department of Civil Engineering
University of the District of Columbia
Building 42, Suite 213H
4200 Connecticut Avenue NW
Washington, DC 20008, USA
Tel: +1 202-274-6327
Fax: +1 202-274-6232
Email: lei.wang@udc.edu

Interests related to TC304:

- Geotechnical Risk and Reliability
- Robust Design in Geotechnical Engineering
- Probabilistic Inverse Analysis
- Infrastructure Robustness and Resilience
