

International Society for Soil Mechanics and Geotechnical Engineering  
Société Internationale de Mécanique des Sols et de la Géotechnique

Mark Jaksa

Professor  
School of Civil, Environmental and Mining  
Engineering  
University of Adelaide 5005 Australia  
Tel: +61 8 8313 4314  
Fax: +61 8 8313 4359  
Email: [mark.jaksa@adelaide.edu.au](mailto:mark.jaksa@adelaide.edu.au)

Interests related to TC304:

- Spatial variability in geotechnical engineering
- Optimization of site investigations
- Uncertainty in geotechnical engineering
