

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Mikhail L. Kholmyansky

Leading researcher
NIIOSP Research Institute
Research Centre "Civil Engineering"
2-ya Institutskaya ul, 6 str. 12
Moscow, 109428, Russia
Tel: +7 499 170 27 09
Cell: +7 916 934 08 85
Email: mlkholmyansky@yandex.ru

Interests related to TC304:

- Dynamic behavior of soil-structure systems with random parameters
- Vibrational reliability of machine foundations
