

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Rafael Jimenez

Full Professor
Department of Ground Engineering
Universidad Politécnica de Madrid, Spain
Tel: +34 91-3366710
Fax: +34 91-3366774
Email: rjimenez .AT-SIGN. caminos.upm.es

Interests related to TC304:

- Reliability analysis in geotechnical engineering
- Bayesian updating of geotechnical systems
- Decision making and design under uncertainty
- Risk assessment and management
