

International Society for Soil Mechanics and Geotechnical Engineering
Soci t  Internationale de M canique des Sols et de la G otechnique

Takayuki Shuku

Associate Professor
Department of Environmental Management
Engineering
Faculty of Environmental Science and Technology
Okayama University, Okayama 700-8530, Japan
Tel: +81 86-2518161
Fax: +81 86-2518881
Cell: +81 9036377871
Email: shuku@cc.okayama-u.ac.jp

Interests related to TC304:

- Bayesian approach in geotechnical engineering
- Machine learning in geotechnical engineering
- Data-driven modeling in geotechnical engineering
- Reliability-based analysis for geotechnical structures
