

International Society for Soil Mechanics and Geotechnical Engineering  
Société Internationale de Mécanique des Sols et de la Géotechnique

Timo Schweckendiek

Sr. researcher / consultant  
Deltares & Delft University of Technology  
Email: [t.schweckendiek@tudelft.nl](mailto:t.schweckendiek@tudelft.nl)

Interests related to TC304:

- Reliability analysis in geotechnical engineering
- Bayesian updating of geotechnical systems
- Georisk assessment and management
