

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Wengang Zhang

Professor
School of Civil Engineering
Chongqing University, Chongqing 400045, China
Cell: +86 15736088367
Email: cheungwg@126.com

Interests related to TC304:

- Reliability analysis in geotechnical engineering
- Multivariate adaptive regression splines and BPNN
- Big data
