

International Society for Soil Mechanics and Geotechnical Engineering
Société Internationale de Mécanique des Sols et de la Géotechnique

Yu **WANG**

Assistant Professor
Department of Building and Construction
Tat Chee Avenue, Kowloon
Hong Kong
Tel: (852) 3442 7605
Fax no.: (852) 3442 0427
E-mail: yuwang@cityu.edu.hk

Interests related to TC304:

- Reliability-based design
- Probabilistic characterization of geotechnical properties
- Application of Monte Carlo simulation in geotechnical engineering
