

International Society for Soil Mechanics and Geotechnical Engineering  
Société Internationale de Mécanique des Sols et de la Géotechnique

Ioannis E. Zevgolis

Assistant Professor  
Department of Civil Engineering  
Democritus University of Thrace, Xanthi 67100,  
Greece  
Tel: +30 25410 79646  
Email: zevgolis@civil.duth.gr

Interests related to TC304:

- Probabilistic and stochastic methods in geotechnical engineering
